

# LAND ART

## Lesson instructions and extra resources.

**NOTE:** All videos have been created in SafeShare. These videos are ad free and appropriate for students.

With this exercise you need to:

1<sup>st</sup>: Watch this Power Point/Video on Andy Goldsworthy.

[CREATING OUTDOORS - Andy Goldsworthy](#)

2<sup>nd</sup>: Watch this Land Art video.

[LAND ART](#)

3<sup>rd</sup>: **TRY IT!** *Get creative!*

-Investigate nature and create a design of your choice.

-Your design/composition can look like something or it can be something abstract.

-Use what you know about the Elements of Art:

Line      Shape      Form      Color      Value      Texture      Space

## EXAMPLES

4<sup>th</sup>: Take a picture or video of your work.

PLEASE **put your name on it**..... make sure I know it is yours 😊

Upload it to the Art file for your grade – which you will find in CLEVER or email it to:

[louise.culpepper@cobbk12.org](mailto:louise.culpepper@cobbk12.org)

## **Additional Learning**
