

MO WILLEMS

(part 2)

Lesson instructions & resources.

NOTE: All videos have been created in SafeShare. These videos are ad free and appropriate for students.

Also: Please don't feel like you need to complete this activity quickly. We all work at different speeds and approach things in different ways. Enjoy! Have fun! 😊

With this exercise you need to:

1st: Watch this video clip about adapting a story to stage.

This video is Part 2 of a two part series Author Study of Mo Willems.

[Mo Willems - Adapting a Picture Book](#)

2nd : **TRY IT!** *Get creative!*

- Follow along with the video. Using items from you home, dress up as your own Naked Mole character.

- Rewatch [Mo Willems - Part 1 of 2](#)

* Using the clothes you designed for Wilbur, or with new clothes you design, create a story or a short explanation as to why he is wearing the clothes he has on.

For example: Wilbur is going to a Halloween Costume Party as a ballerina.
Wilbur has gotten dressed in his jersey for a soccer game.

- When designing Wilbur's clothes, don't forget to use what you know about LINE, COLOR, & PATTERN to make your illustration .

OPTIONAL EXTENSION

Cut out your picture of Wilbur and, by gluing or taping him on a piece of cardboard or a stick, make a puppet. You can even make friends for Wilbur and create your own story or adventure about Wilbur....then film it!

5th: Upload your pictures, designs, or film clip you created today to the Art file for your grade, in CLEVER.
